Calhoun High School to hold Georgia Apply to College event.

11/5/2013

By: AllAroundGordon.com / Calhoun, GA / Submitted

November 7 th, 2013—Calhoun High School is excited to announce that it has been selected to participate in the Georgia Apply to College program, an annual event sponsored by Communities in Schools, the Georgia Department of Education, the Georgia Independent College Association, the Georgia Partnership for Excellence in Education, the Georgia Student Finance Commission, the

Technical College System of Georgia, and the University System of Georgia.

CHS's event will be held on Thursday, November 7 th. During the Georgia Apply to College event, seniors will receive hands-on assistance from volunteers, many of whom are from local colleges and universities, businesses and community organizations, as they navigate the college application process. The goal is for each student to successfully complete at least one college admission application using the GAcollge411.org website.

GAcollge411 is Georgia's online resource providing lots of information for students as they plan, apply and pay for college. The site serves as a valuable resource for application and financial aid information for the public and private colleges or universities in Georgia. In addition, it provides a number of tools that students can utilize to do things such as track their progress through high school, take online test preparation courses, research high-demand careers, and develop an online portfolio and resume.

Additional information about the Georgia Apply to College program can be found online at www.usg.edu/apply-to-college. For more information about Calhoun High School's event, please contact Debra Moyer/College & Career Advisor at moyerd@calhounschools.org or 706-602-6620
